Questions and application

Ask these questions to your child:

- The disciples had been busy! What had they been doing? (*They had been spreading the truth about God all over!*)
- Jesus and the disciples got on a boat. Where did they think they were going? (*A desolate place to rest.*)
- When they got off the boat and saw all the people, how did Jesus feel? (*He had compassion on the people because they were like sheep without a shepherd.*)
- What did Jesus tell the people? (*He taught them about God's law and how much God loved them.*)
- When the people got hungry, what happened? (*Jesus took food from a little boy, blessed it, and started handing it out. Jesus did a miracle! There was enough food for everyone there!*)
- How many people were there? (*5,000 men in addition to women and children!*)
